

Unlock Demo Version

You won't need an unlocking code for the first try-outs. Please click the button **Try-out Now** in the Start-up Window to test the software.

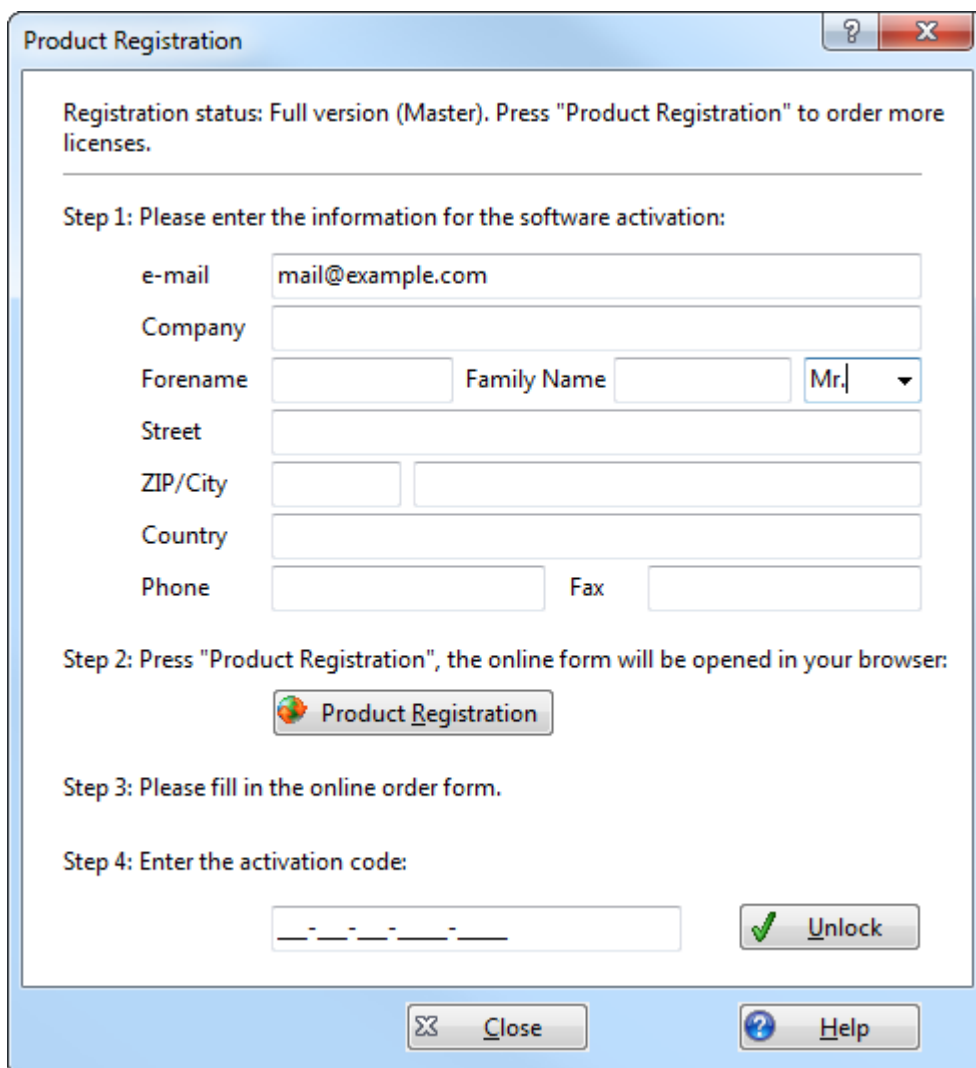

If you **already have an unlocking code**: Please follow the instructions on this page (A).

If you **do not yet have an unlocking code** and wish to unlock the trial version: Please follow the instructions on the following page (B).

A. If you have a valid unlocking code:

In case the trial version is already installed on your computer, you do not have to reinstall the software.

1. Please choose within the menu **Help | Internet** the option **Register Version** or go to the page „License“ in the Setup Wizard, and press the button **Register**. The window „Product Registration“ will be opened:

The screenshot shows a 'Product Registration' dialog box with the following content:

Registration status: Full version (Master). Press "Product Registration" to order more licenses.

Step 1: Please enter the information for the software activation:

e-mail:

Company:

Forename: Family Name: Mr. |

Street:

ZIP/City:

Country:

Phone: Fax:

Step 2: Press "Product Registration", the online form will be opened in your browser:

Step 3: Please fill in the online order form.

Step 4: Enter the activation code:

At the bottom of the dialog box, there are buttons for and .

2. Simply enter the code at „Step 4“ and click **Unlock**.

B. If you do not yet have an unlocking code:

The Office Manager trial version is limited to 30 days. This will only encompass the days that you actually use the software. By registering online you can purchase an unlocking code for the unlimited full version of Office Manager.

1. Please choose within the menu **Help | Internet** the option **Register Version** or go to the page „License“ in the Setup Wizard, and press the button **Online Registration**.
